

Get To Know MMS!

Each year the faculty at MMS works hard to prepare for our incoming students. We have created three unique events to help you learn more about your new school and feel comfortable with the transition from elementary to middle school. Please make every attempt to come out, learn something new, and meet some new peers!

-At **6 pm** on **February 15, 2017** MMS faculty is hosting an information session for **prospective students and their parents** to come hear about the many wonderful academic and extra curricular programs offered at the middle school.

-All **Sixth Grade students** will be attending an open house on **Friday, May 26, 2017** to learn more about the programs offered and to tour the facilities.

-On **Wednesday, August 31, 2017** from **4 – 6 pm** MMS will have an **open house** for **students and parents** to reacquaint themselves with the facilities and staff, get class schedules and locker assignments, and have any final middle school questions answered.

For more information check out the MMS website at www.deptford.k12.nj.us !
